Regulations and foundation for evaluation

The basis for this certification contract is Kiwa Regulations for Product Certification: 2004 which includes the Regulations for the Board of Arbitration: 2004 and the applicable evaluation guideline(s). The regulations are published on www.kiwa.nl/reglementen. The applicable evaluation guideline(s) can be ordered on the Kiwa website. On special request the printed version of the related regulations can be supplied.

By signing this contract you declare that you have read and agreed to the stipulations made herein.

Duration and validity

This certification contract is valid indefinitely and is applicable from the date Kiwa receives the signed contract from the manufacturer. The certificate however, has a validity of three years and will be evaluated simultaneously with the other participants of Dak & Milieu. Kiwa shall then submit a new estimate for its renewal prior to its termination date.

Request for certification

CertainTeed Corporation hereby requests certification by Kiwa. We confirm our agreement to:

- The delivery by Kiwa of the above mentioned product certification;
- The use of the relevant Kiwa Regulations and the certification requirements/Evaluation Guidelines (BRL's);
- The costs and delivery conditions related to the certification and to the requirement stipulated in Article 2.8 of the Kiwa-Regulations for Product Certification: 2004;
- The handling of any dispute resulting from a decision or measure taken by Kiwa on the basis of the Kiwa-Regulations for the Board of Arbitration: 2004.

By signing this certification contract CertainTeed Corporation commits to comply at all times with all the requirements pertaining to product certification as detailed in this contract.
